From the President

Greeting's my fellow Child Support friends. We have recovered from the Conference in Asheville and already planning and working on the 2009 Conference at Sunset Beach. The Conference in Asheville was a huge success. I saw a very happy and energetic group filling the workshops daily and enjoying the fellowship with one another. It is truly an honor to represent each of you as your president in 2009. I would like to say Thank You to Alice McCoy for her hard work and dedication to the Council during her Presidency, she did an outstanding job and was always there to mentor and do what ever was needed.

The Theme for the 2009 Conference is "I Believe. . ." When you believe in yourself, your team, your district and your state. . . there is nothing you can't accomplish.

Carla West, your First Vice-President, is planning an exciting and motivating conference in September 2009 at Sea Trail Golf Resort and Convention Center in Sunset Beach, N.C.

I encourage you to be a part of the council and work on a committee. Remember, this is your council and we want to hear from you.

Please feel free to contact me at anytime through my email address: Angela.Craig@ncmail.net or through the council website at: www.nccscouncil.org

My Blessing to each of you during the upcoming Holiday Season.

Angela Craig, President

NCCSC COMMITTEE VOLUNTEERS ARE NEEDED

Please volunteer for a committee you would be interested in serving on. Equipment (techies) are especially needed and Curriculum.

Entertainment

I “BELIEVE” everyone enjoyed themselves at the conference last year. It was a wonderful time combined with meaningful workshops balanced with the right amount of relaxation. Now the Entertainment Committee “knows” they really have got to work hard to top last years’ relaxation activities.

But have no fear, we are up to the challenge and we have begun our planning and strategizing for this year’s activities. We are presently conducting a scientific investigation into what it is that truly helps child support professionals to let loose. This investigation requires that we stalk our prey (you) and secretly document the fun things you do. We will use this to help us plan for this year’s conference. Now to make this work I need YOUR help. I need for each of you to write to me and let me know what things you like to do at the conference. Also it is important that we have documented proof that you like to have fun so we need photographs. Yes that is right I need you to send me digital photos of you having fun (not just at the conference but anywhere) Don’t ask what we are doing with this just send them. You are going to love this!!!!
